

## **Space for Accommodation**

We offer 21 guest-rooms with up to 60 beds, ranging from single rooms up to rooms with six beds. All rooms are ensuite with either shower or bath. There is also a barrier-free bedroom on the ground floor. If requested, we can supply bed linen, towels, cots and high chairs for children.

Our menu features vegetarian dishes, including milk products and fish in accordance with Jewish nutrition, to enable people from different religious backgrounds to have meals together. Guests have regularly commented favourably on the excellent quality of the dishes, which are prepared mainly from locally sourced ingredients. In summer, participants can use the Barbeque facilities in the courtyard.

Visitors can enjoy the surrounding park, cycle along the cycle path by the river Havel and swim in the lake.

## **Equipment for sport and leisure time activities**
